		Monday	Tuesday	Wednesday	Thursday	Friday
		Lesson 1 Different Representations	Lesson 2 Unit Fractions	Lesson 3 Equivalent Fractions (1)	Lesson 4 Equivalent Fractions (2)	Lesson 5 Non-Unit Fractions
<p>Year 4 Maths Week 6 Fractions</p> <p>45 – 60 minutes daily</p> <p>https://classroom.thenational.academy/units/fractions-0678</p> <p>All maths work should be completed in their pupil work book or on a piece of paper.</p> <p>Worksheets are numbered by day and are available online or for collection from the school office. Work can be photographed and emailed for weekly feedback.</p> 	Learning Objective	<p>Lesson 1 Different Representations</p> <p><u>LO: To recognising fractions as different representations.</u></p>	<p>Lesson 2 Unit Fractions</p> <p><u>LO: To calculate unit fractions of quantities.</u></p>	<p>Lesson 3 Equivalent Fractions (1)</p> <p><u>LO: To recognise equivalent fractions.</u></p>	<p>Lesson 4 Equivalent Fractions (2)</p> <p><u>LO: To recognise equivalent fractions.</u></p>	<p>Lesson 5 Non-Unit Fractions</p> <p><u>LO: To calculate non-unit fractions of quantities.</u></p>

	Lesson outline	In this lesson we will explore different ways of representing fractions including as part of a whole, as a number, as a result of division and as part of a set.	In this lesson we will be identifying fractions of quantities for unit fractions only (where the numerator is one).	In this lesson we will be using fraction bars to help us recognise equivalent fractions.	In this lesson we will be using fraction bars to help us recognise equivalent fractions.	In this lesson we will be identifying fractions of quantities for non-unit fractions (where the numerator is more than one).
	Extra Notes	Think back to what you learnt in Year 3 about fractions. Take a picture of your representations and send them to me. Don't forget to let me know how you did on your Exit quiz!	Remember to count the shapes and count how many are shaded.	How did you do on the intro and exit quiz? Don't forget to let me know!	Remember to send the work through that you've completed for me to check!	Don't forget to email me at j.bateson@allsaintsmat.school if you are struggling or want any extra stretch challenges.

Week beginning Monday 8th February 2021
